

YOUTH ORCHESTRA AUDITIONS 2018–2019 SEASON

Calling talented students who desire to create inspiring symphonic music with other motivated musicians while having fun and making lasting friendships.

WHO ARE WE?

WMYO (GRADES 9–12)

The Washington Metropolitan Youth Orchestra has provided extraordinary orchestral opportunities to high school age musicians for 46 years. Recipient of a 2014 BAMMY Award for Performance Excellence from the Academy of Education Arts and Sciences, the orchestra performs an extensive repertoire of symphonic literature while featuring graduating seniors as soloists. WMYO members hail from throughout the region and routinely demonstrate their excellence through selection to the All-State Honor ensembles, Senior Regional Orchestras and District Honor ensembles. Members have been selected to participate in the Tanglewood, Interlochen, Lucerne, Sewanee and Brevard Summer Music Institutes.

WMCO (GRADES 6–9)

The Washington Metropolitan Concert Orchestra, founded in 2008, serves as the WMYO's preparatory orchestra. WMCO provides intermediate/advanced level musicians with the opportunity to further develop their skills while performing symphonic repertoire in an accomplished ensemble. WMCO's members regularly hold prominent chairs in Junior District Honor Orchestras and Bands, participate in summer music camps and receive superior ratings at solo festivals.
